Grace Ministries International's mission is to share God's grace with the world. We do this by sending our team around the globe to equip local believers to share the gospel, plant churches, train for life and ministry and share God's love through acts of mercy. The investment opportunities on the following pages are organized into nine ministry categories that support this mission:

Evangelism, Church Planting, Discipleship, Leadership Training, Bibles and Books, Women's Ministries, Kids and Youth, Building and Equipment, *and* ***Acts of Mercy.***

As you read through these opportunities, you will learn how our team members envision reaching others with the gospel of Jesus Christ and touching lives through God's love. Every gift is an encouragement to our team and those they serve around the world.

SOCIAL MEDIA OUTREACH TO MUSLIM SEEKERS

Across Africa, a number of spiritual conversations begin online. For Muslim seekers who may be hesitant to walk into a church or openly ask about Jesus, social media can provide a safe first place to explore. This project equips African cross-cultural workers, who are trained by and work with GMI team members, to use social media to share the gospel, engage Muslim seekers and begin meaningful conversations. The goal is to convert these online interactions into face-to-face relationships between seekers and followers of Jesus living in their communities. Your gift will help train cross-cultural workers, develop content and connect online seekers with believers who can continue the conversation in person.

Project Goal: $3,000

02

MX

MEXICO TO EL SALVADOR EVANGELISM

For ten years, a couple from Comunidad Bíblica de la Gracia (Grace Bible Community) in Mexico has traveled to El Salvador to work with new churches and children. In 2027, the church would like to send a team with this couple to visit homes, share the message of salvation, pray with families and build relationships, leading to ongoing discipleship. As an expression of God's love, backpacks and school supplies will also be distributed to children of families lacking resources, creating opportunities to connect and share the gospel.

Project Goal: $1,284

03

AR

ARUBA OUTREACH

Reaching the community with the gospel is one of GMI team members Carlos and Denise Brunks' goals in Aruba. Over the course of the year, they will hold six couples' events for 20 couples each, three children's outreaches hosting 30-40 children and a women's gathering for up to 40 ladies. They desire to reach couples with the gospel while helping them discover biblical principles for building Christ-centered marriages and families. Through games, activities and Bible lessons, they will introduce children and their families to the love and grace of Christ. They are also planning a special women's outreach. The main expenses will be facility rentals and food.

Project Goal: $8,966

EVANGELISM

04

PG

COMMUNITY EVANGELISTIC EVENTS: ALCANCE HUPYTY

This project will host three large evangelistic events for the indigenous community of Acaraymi of 350 families. The events will include music, testimonies and children's programs, as well as food and small gifts for each family. The project covers transportation costs for the GMI team and volunteers, as well as food and materials needed for each event, planned around three special days on the Paraguayan calendar. It is an opportunity to unite the community, demonstrate God's love and invite many to know Christ.

Project Goal: $5,475

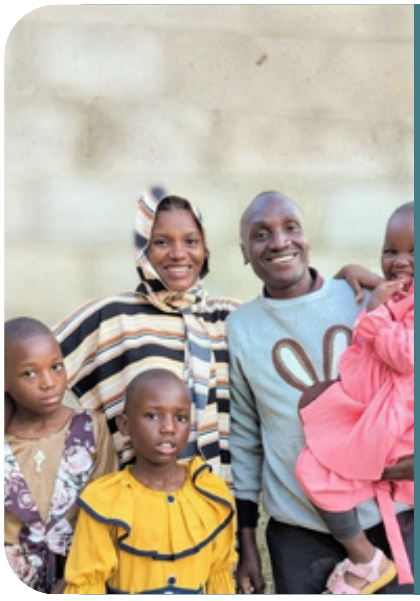

05

TZ

TANZANIA PRISONER OUTREACH

This project enables the Women of Good News, led by GMI team member Sophia Simtowe, to reach out to those in the prisons, by giving them hope, words of encouragement and sharing the Word of God with them. They will also show the prisoners God's love by providing them with gifts such as Bibles, soap, blankets, etc.

Project Goal: $850

06

EN

SEND AN AFRICAN CCW TO REACH THE UNREACHED

Training a cross-cultural worker (CCW) in Africa to reach unreached people groups with the gospel is only the beginning. New CCWs must travel to their field, get established in the community, develop relationships and begin the patient work of learning, serving, sharing the gospel and making disciples. This fund will help newly trained African CCWs with the costs of moving into and establishing their ministry among unreached communities across Africa. Funds may provide initial transportation, modest housing setup, language/cultural learning, ministry expenses, the initial months of support and seed money to start a small business to support their family.

Project Goal: $5,000

CHURCH PLANTING

07 MA

METAL ROOFS FOR MALAWI CHURCHES

When a church is planted in Malawi, attendees first find a place to meet. After buying land, they begin molding their own bricks to build a place of worship. The GMI team in Malawi wants to support their growth by helping install the church roof. This includes metal sheets, supplies, labor and purchasing some of the cement needed to build a firm foundation. The goal is to raise funds to help roof three new churches each year.

Project Goal: $10,800 ($3,600/church building)

08 MX

NEW CHURCH PLANT MEETING PLACE IN MEXICO

Comunidad Bíblica de la Gracia (Grace Bible Community) in Mérida is taking steps to establish a new church in the Yucatán Peninsula. Just as CBG began in the living room of a home that seated 40 people, a rented home with ample meeting space for the first year will provide a place for developing relationships, Bible studies, discipleship, evangelism and church services. The project will supplement the first year of rent and the initial costs required to secure the home.

Project Goal: $9,600

09 MX

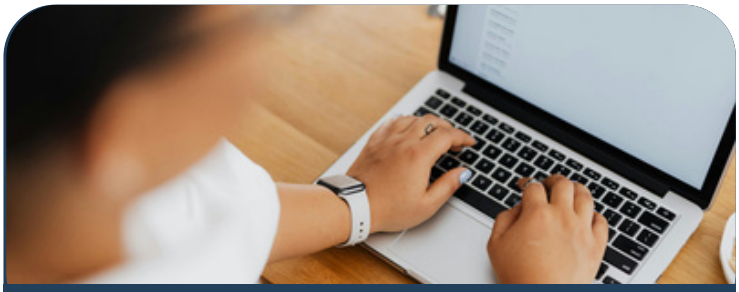

TABLES AND CHAIRS FOR NEW CHURCH IN MEXICO

Comunidad Bíblica de la Gracia (Grace Bible Community) in Mérida is taking steps to establish a second church in Mexico. This project will provide 12 children's chairs and three children's plastic tables to support children's ministries. This project will also provide 50 padded folding chairs and six rectangular plastic tables for church gatherings, Bible studies, discipleship, leadership development and community outreach. A storage cabinet will also be purchased to provide organized storage for Bibles, teaching materials and other ministry supplies.

Children's chairs - $48 each (12 needed)
Padded folding chairs - $60 each (50 needed)
Tables - $220 each (9 needed)
Cabinet - $200

Project Goal: $5,756

CHURCH PLANTING

10 AR

LAPTOP FOR ARUBA CHURCH PLANT

GMI team members Carlos and Denise Brunk are thankful for the functioning sound system for their Aruba church plant. This has served them well since their initial evangelistic outreach events during this past summer. One more important piece of necessary equipment is a reliable laptop to use with the sound system for music, presentations and other media during their church services and evangelism events.

Project Goal: $1,000

11 MX

AUDIO-VISUAL EQUIPMENT FOR NEW CHURCH IN MEXICO

Comunidad Bíblica de la Gracia (Grace Bible Community) in Mérida is taking steps to establish a new church in the Yucatán Peninsula. This project will provide for the purchase of quality speakers and a video projector to enhance worship services, Bible teaching, discipleship and evangelistic activities.

Project Goal: $1,456

12 PG

EQUIP LA BLANCA CHURCH PLANT IN PARAGUAY

The GMI team is preparing the ministry building in the La Blanca neighborhood of Ciudad del Este, where the team will start a new church plant. This project will provide essential audio and video equipment, such as a screen, projector, TV, a mixer, cables, microphones and a printer for the office. These items are necessary for Bible studies, worship services, children's ministry, discipleship and community outreach. The first adult Bible studies began in August 2026 at this site. Your gift will help to purchase one or more of these items.

Project Goal: $4,816

13 MX

HOSPITALITY ITEMS FOR NEW CHURCH IN MEXICO

Comunidad Bíblica de la Gracia (Grace Bible Community) in Mérida is taking steps to establish a new church in the Yucatán Peninsula. This project will provide a 19-liter beverage dispenser and a 45-cup stainless steel coffee maker. These resources will be used when welcoming people for Bible studies, discipleship and ministry gatherings to create a friendly atmosphere while providing opportunities to share God's Word.

Project Goal: $187

DISCIPLESHIP

14

PG

PARAGUAY “ALCANCE HUPYTY” GUITAR LESSONS AND BIBLE STUDY

The Alcance Hupyty Project seeks to bless the indigenous community of Acaraymi through weekly guitar lessons and Bible studies for children and youth. The team travels weekly to the community to teach God’s Word and provide a healthy snack for the children. This project covers transportation and food costs. This initiative not only teaches music but also strengthens faith and builds strong relationships within the community. $42 covers one week of Bible study, music lessons and snacks for up to 35 children.

Project Goal: $2,184 ($42/week)

15

EN

MOTORCYCLES TO MINISTER IN HARD-TO-REACH COMMUNITIES

Many of the unreached communities where GMI-trained cross-cultural workers (CCWs) serve are far from major roads and public transportation. Visiting a new believer, leading a Bible Study, checking on a house church or traveling to the next village can require hours of difficult travel. This project will provide three reliable motorcycles along with the basic equipment and costs necessary to put them into service. A motorcycle is more than transportation—it can mean reaching additional villages, more discipleship visits and gospel conversations every month.

Project Goal: $6,000 ($2,000/motorcycle)

16

MA

STRENGTHENING GRACE CHURCHES ACROSS MALAWI

There are 61 active churches and preaching points within the Grace Church in Malawi (GCM). For the past fourteen years, the GMI team has been helping GCM train leaders for these churches and preaching points. Now that many of these churches have trained leaders, the GMI team and GCM leadership wants to take a further step and mentor these leaders in the practical aspects of ministry and help their churches and ministries grow. GMI team members and GCM leaders would visit these churches bi-monthly and walk alongside their leaders, participating in their lives and ministries for week-long trips around the country.

Project Goal: $3,924

DISCIPLESHIP

17 EN

DISCIPLESHIP TRAINING FOR NEW MUSLIM-BACKGROUND BELIEVERS

Across Africa, among unreached people groups, where GMI-trained cross-cultural teams serve, many are beginning to follow Jesus. One of the greatest priorities is helping these new believers move from an initial profession of faith into mature believers who disciple others. In 2027, the goal is to host five discipleship gatherings where approximately 75 Muslim-background believers can learn about the Christian faith, grow in obedience to Jesus, begin to study Scripture, and be equipped to share the gospel. Cross-cultural workers will then follow up with training participants, with the prayer that Bible studies and house churches will emerge.

Project Goal: $3,000 ($600/training, around 75 new believers reached)

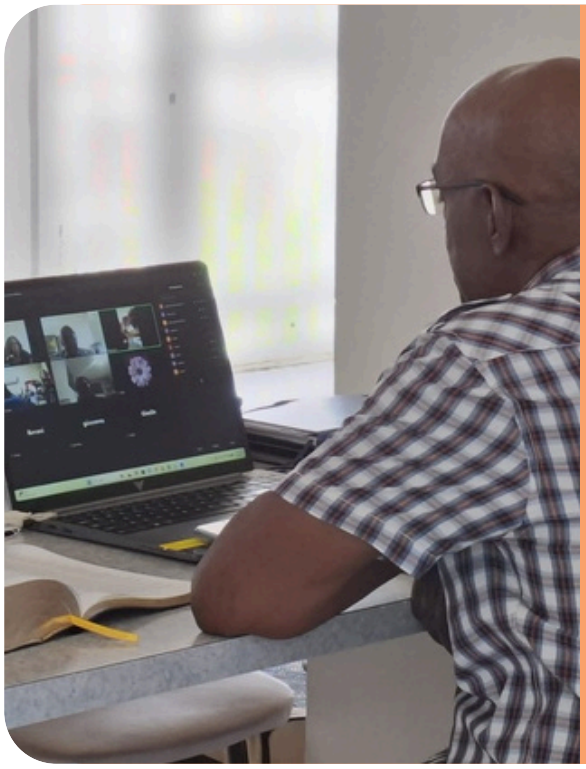

18 MA

FOUNDATIONS FOR FARMING TRAINING

The Foundations for Farming program has enabled the GMI team and local ministry in Southern Malawi to reach some of the most challenging unreached communities. To date, 220 subsistence farmers, including village chiefs, have benefited from the training. As a result, 10 Bible study groups have been established, and two new communities have welcomed the team. Farmers are increasing their harvests and reducing costs through improved farming practices, while five Malawian team members have been equipped as trainers. In 2027, this project aims to train 100 additional farmers and establish 10 new Bible study groups, bringing both practical transformation and the hope of the gospel to more communities.

Project Goal: $15,215

LEADERSHIP TRAINING

19

AR

CARIBBEAN GRACE BIBLE INSTITUTE

CGBI started its first year of classes in September. Papiamento-speaking students have enrolled from the Netherlands, Curacao and Bonaire. Project funds will be used for the translation of materials into Papiamento, video production for online teaching videos, a student platform, website development and maintenance, a reliable laptop for preparing lessons and producing the courses, and external hard drives to store and back up the videos and materials.

Project Goal: $10,000

20

BO

THEOLOGICAL EDUCATION IN BOLIVIA

In 2026, Centro Biblico de la Gracia (Grace Bible Center) offered four to six classes per trimester, and averaged 40 students. Bolivia is experiencing high inflation and a severe gasoline shortage. Prices have doubled, reducing purchasing power significantly. CBG still wants to maintain affordable tuition for students without raising its tuition. In order to continue sustainable growth and cover expenses without increasing tuition, CBG wants to raise funds to cover scholarships for students.

Project Goal: $3,150
($10/student/class for 35 students)

LEADERSHIP TRAINING

21 BU

BURUNDI GRACE BIBLE INSTITUTE

BGBI currently partners with about 12 denominations that want their members to receive a Bible school education. Leaders of these churches recognize these modules' robust curriculum. In 2024-25, BGBI opened and held modules at two training sites in the country. In 2025-26 four more sites were added. At each site, BGBI would hold up to four one-week, in-seat modules per year. Each $1,000 given to this project will pay for one module, covering various topics, for 20 students. Students pay their own transportation to and from the site, and a fee of about $3.50. Expenses include: classroom rental, teaching materials, lodging, and food for students, translators and teachers.

Project Goal: $10,000 ($1,000/module)

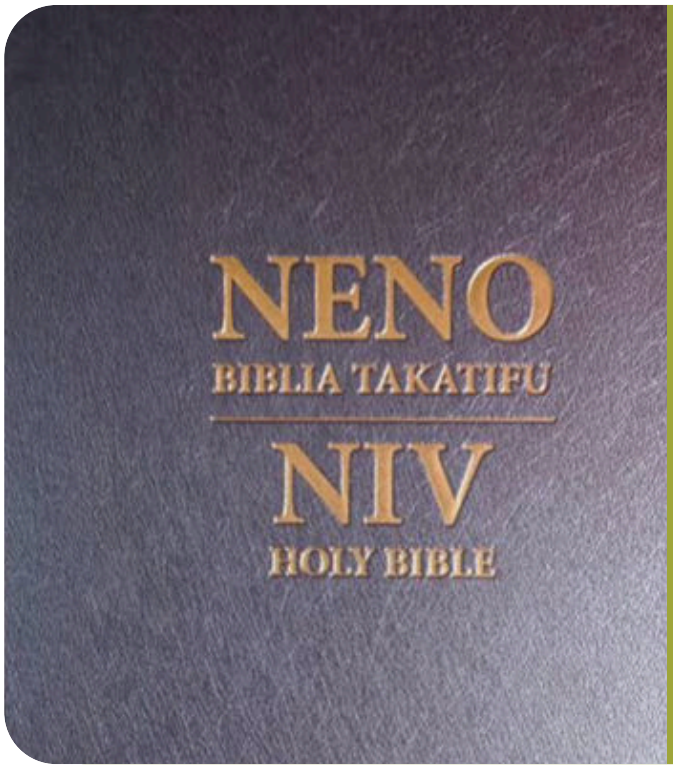

22 MA

RAISING AND PREPARING MALAWIAN LEADERS

The GMI team and the Grace Church in Malawi are committed to proclaiming the gospel. As a result, many new churches have emerged. There are currently 61 active churches and preaching points, but many of them still need to send their leaders to Malawi Grace Bible School. The school hosts one-week Bible school modules in different regions of the country where the students live. The modules are cumulative, providing three levels of courses for the student who completes the entire program. It costs an average of $712 to travel and run a Bible School module for around 20 students and do outreach. The GMI team in Malawi plans to make an average of fifteen of these trips every year with the Malawian teachers the team has trained.

Project Goal: $10,680

BIBLES & BOOKS

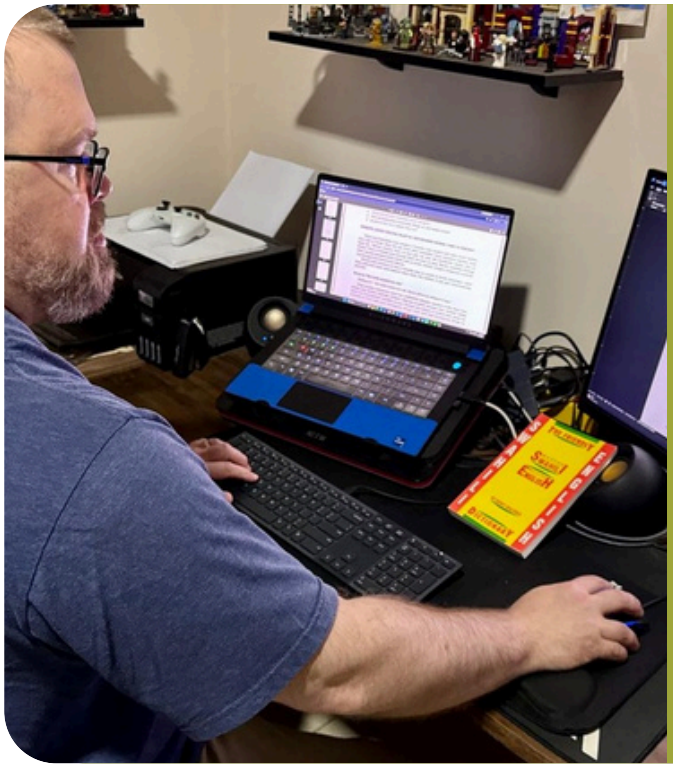

23

EN

BIBLES FOR NEW BELIEVERS FROM MUSLIM BACKGROUNDS

A significant challenge across Africa is getting the Word of God into the hands of new believers from Muslim backgrounds. Many believe that the Bible has been changed or corrupted and should not be trusted. For believers from communities where purchasing a $10 book is a financial sacrifice, owning their first Bible can be a major step of faith. This project supplies African cross-cultural workers and disciple-makers with Bibles they can place directly into the hands of new believers who are serious about following Jesus.

Project Goal: $2,500 ($10/Bible)

24

PG

SWAHILI TO SPANISH TRANSLATIONS

GMI team member Cory Hodgson is involved in an ongoing effort to translate Swahili theological materials into Spanish. The project covers the cost of the necessary software and programs needed for successful and accurate translation. Once purchased, the translation process will be able to continue well into the future. Cory is in the process of translating one book, with others on a near-term target list.

Project Goal: $515

BIBLES & BOOKS

25

EN

DISCIPLESHIP MATERIALS AND STUDY GUIDES

GMI-trained cross-cultural workers (CCWs) work across multiple countries, cultures and languages—from Swahili-speaking communities in East Africa to French-speaking teams in Central and West Africa to Portuguese-speaking communities in southern Africa. We want to place simple, reproducible discipleship tools into the hands of CCWs and new believers in their languages. This project will help translate, adapt, print and distribute approximately 1,000 Bible study guides. The goal is to provide simple tools that a believer can use with family members and neighbors—and then teach someone else to use.

Project Goal: $3,500 ($3.50/study guide)

26

MX

BIBLES FOR ALL AGES IN MEXICO

This project will provide Bibles for children and older adults in the existing ministries in Mérida, as well as for the new church plant. The goal is to provide ten Bibles for children as they become ready to read and study God's Word on their own, and eight large-print Bibles for the older adults who participate in Bible studies in the new church plant. Bibles will also be given to new believers.

Project Goal: $1,070

27

PG

THEOLOGICAL RESOURCES FOR PARAGUAY

The GMI team in Paraguay has been working to translate theology books into Spanish for pastors, ministry leaders, Bible students and local churches. Four books are ready, or nearly ready, to be printed, each addressing theological topics especially relevant to the church in Paraguay. By supporting this project, you will help place theological resources directly into the hands of Spanish-speaking believers and leaders, as these books are translated, formatted and printed.

Project Goal: $4,000 ($10/book)

WOMEN'S MINISTRIES

28

ZA

GRACE AND HOPE SEWING MINISTRY

GMI team member Edah Mwanamoya is investing in 30 women in Kamuchanga, near Kabwe, Zambia, equipping them with sewing skills to improve their lives and support their families physically and spiritually. The goal is to purchase five sewing machines and essential supplies, including needles, measuring tape, chalk and fabric.

Project Goal: $2,660

29

BU

SKILL TRAINING FOR SINGLE MOTHERS IN BURUNDI

Young unmarried motherhood is a national epidemic. Many women are unable to continue their studies or find employment after pregnancy, leaving some vulnerable to prostitution. GMI team member Omelina Mwendapole teaches these women tailoring skills so they can support themselves, while incorporating discipleship into the training. She has already trained 12 single mothers and hopes this project will help 10 more.

Project Goal: $3,556

30

EN

EQUIPPING WOMEN TO REACH UNREACHED WOMEN IN AFRICA

GMI-trained Cross Cultural Workers' wives are uniquely positioned to reach women in their African communities. This project will equip 15 female CCWs with income-generating tools, such as sewing machines and poultry, to help support their families, while creating opportunities to build relationships and share the hope of Jesus.

Project Goal: $4,500 ($300/CCW)

31

MA

WOMEN'S MINISTRY TRAININGS AND RETREATS

The GMI team in Malawi aims to strengthen women's ministry across its 61 churches and church plants. First, the team will train regional leaders, who will then train local church women's leaders, through nine training seminars in 2027. Another aspect of this project is to help women in each region run their own women's retreats. The goal is to assist with up to seven retreats in 2027 by providing food and materials, while the women arrange their own transportation and lodging, which remains quite expensive for them.

$172 supports one training seminar.
$802 supports one regional women's retreat.

Project Goal: $7,162

WOMEN'S MINISTRIES

GRACE SCHOOL OF HOME ECONOMICS

32 MA

SKILL EMPOWERMENT FOR WOMEN

Throughout the years, the Grace School of Home Economics in Malawi has trained and empowered about 600 women and young ladies in catering, hospitality, baking, food production, event services, crafts and entrepreneurship. Today, many are self-employed or work in restaurants and lodges. Some run mobile food businesses, small grocery shops and thrift clothing businesses. Many women are now able to provide for their families, while some young ladies support themselves through college. Your gift of $144 will provide the supplies to train one woman during a 10-month training program in the capital city of Lilongwe.

Project Goal: $7,200

33 MA

MICROLOANS AND GRANTS FOR WOMEN IN MALAWI

The Grace School of Home Economics' microloans and grants project continues to empower graduates to build sustainable businesses. Annie tragically lost her husband just months after completing her studies and is now facing life as a young widow. With a small start-up loan, she rebuilt her life through a thriving thrift-clothing business, through which she pays for her children's education and their daily needs. The goal is to provide $195 microloans to empower 20 women. The repaid loans are then accumulated into a fund that provides grants to help successful businesses expand and grow.

Project Goal: $3,900

34 MA

CREATIVE SKILLS FOR WOMEN IN MALAWI

The Grace School of Home Economics (GSHE) is empowering women in the areas of fashion design, hairstyling and mobile beauty services for weddings and special events. To expand this life-changing program, the goal is to purchase six sewing machines, hair dryers, hooded dryers, hair clippers, hair straighteners, curling irons, hair steamer machines and other basic salon equipment used for training through GSHE for years to come. GSHE has already trained about 600 women through the years and wants to expand the skills training it provides.

Project Goal: $4,421

WOMEN'S MINISTRIES

BEAUTY FOR ASHES

35

MA

BEAUTY FOR ASHES STOREROOM AND COVERED WORK AREA

Beauty For Ashes is constructing a workshop to expand its training capacity, strengthen business operations and provide single mothers with the tools they need to achieve economic independence. As part of this project, the plan is to build a covered outdoor workspace for practical skills training and a storeroom for the safe storage of raw materials. Each year, Beauty for Ashes trains more than 40 women in Lilongwe, Malawi, but currently they meet outside, weather permitting. The covered workspace will provide an ideal environment for hands-on activities requiring open space, while the storeroom will enable the purchase of raw materials in bulk, ensuring a consistent supply of high-quality materials and reducing costs.

Project Goal: $9,737

36 MA

SKILLS DEVELOPMENT

Across Malawi, many single mothers struggle to provide for their families. Beauty For Ashes has empowered more than 340 vulnerable women through vocational training, business literacy and spiritual discipleship. In 2027, 40 more women in Lilongwe will receive training to build self-reliance and financial independence. A gift of $214 equips one woman with vocational training, start-up materials and spiritual support to create lasting change for her family.

Project Goal: $8,560

37 MA

CROWN BEARERS INITIATIVE

What began as a small effort to empower single mothers is ready to expand beyond Lilongwe, Malawi. This program will equip 15 Beauty for Ashes trainers to teach women in their communities income-generating skills. Having already empowered 340 women, Beauty for Ashes can significantly extend its impact through these new trainers. A gift of $305 provides one trainer with a week of training, materials, lodging and meals.

Project Goal: $4,575

38 MA

WELDING TRAINING

After seeing the transformation of women through Beauty for Ashes, this project is launching a welding program to help single mothers provide for their families. From the 340 graduates, 10 women will be selected for the pilot training. An initial $4,120 will purchase equipment to train women for years to come, while each $365 gift provides one woman with a year of materials and training, equipping her to work independently or for a welding company.

Project Goal: $7,770 ($4,120/equipment, $365/woman)

KIDS & YOUTH

39

CR

EVANGELISTIC RESOURCES FOR KIDS AND YOUTH IN COSTA RICA

Grace Bible Community in Belén, Costa Rica, has a heart for the next generation. The church has hosted the KidsGames program for 20 years, along with various vacation Bible school programs for school-aged children. The ministry seeks to acquire new resources, such as evangelistic soccer balls, replacing the original EvangeCubes used since 2006, wordless books, salvation bracelets, gospel flipper-flappers and specialized lighting equipment for dramas and black-light theater.

Project Goal: $1,650

40

MA

MALAWI YOUTH CAMP

Youth camps make a lasting impact by combining fun, biblical teaching and mentoring. During Malawi's August school break, GMI team member Brook Seekins and her team lead four camps across the country for youth ages 13–25, reaching over 200 young people each year. Preparation includes staff training to equip 12–15 leaders to run this unique program. The cost for one staff member to attend training and serve at all four camps is $410. Over 30 staff members have been trained over the past five years, which is an investment in the leadership of the Grace Church in Malawi.

Project Goal: $6,150 ($410/leader)

41

NI

NICARAGUA KIDSGAMES

In 2026, KidsGames reached 120 unchurched children with the message of salvation. This community-wide evangelistic outreach, which takes place during the July, mid-year school break, is an opportunity for kids to hear the gospel and learn new skills in a safe, fun environment. Your gifts will ensure the continuation of this annual event by enabling the GMI team in Nicaragua to purchase supplies, KidsGames shirts, snacks and other resources which make this a Christ-centered and engaging outreach for the community surrounding Arraigados Church in the town of Nagarote.

Project Goal: $1,200 ($10/child)

KIDS & YOUTH

42

PG

WEEKLY KIDS' MINISTRY IN PARAGUAY

The Kids' Program in Paraguay (known as Mitanguera Aty in Guarani) serves children coming from families lacking resources in the La Blanca neighborhood. This project will fund ongoing efforts to provide a meal, evangelize and educate these children as they gather weekly. This project also covers the cost of a special Children's Day and Christmas event. The location for this ministry in the La Blanca neighborhood of Ciudad del Este is also the site of the GMI team's second church plant in the city.

Project Goal: $2,800 ($56/child)

43

NI

NICARAGUA YOUTH CAMP 2027

The GMI team in Nicaragua, along with its church plants, organizes an annual camp to impact youth for Christ within the country. Last year, 73 youth attended because of your generous donations! The vast majority of these young people do not have the necessary resources to attend this camp. This project allows them to attend and be challenged through God's Word.

Project Goal: $1,000 ($20/student)

44

PA

PANAMA KIDSGAMES

KidsGames has been a successful way for local churches affiliated with GMI to reach their communities with the gospel, grow congregations and develop relationships within the community. In 2027, the GMI team in Panama, working with members of their church plant in the city of David, is planning a three-day event with games, dramas, crafts, food and, of course, a clear gospel presentation for the children of the community and their families.

Project Goal: $880

BUILDING & EQUIPMENT

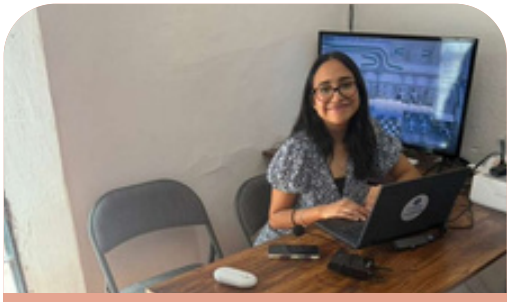

45 MA

PORTABLE GENERATOR FOR MALAWI BIBLE SCHOOLS

There are ten regional Malawi Grace Bible School centers across the country, and nine of these are outside the capital, Lilongwe, often in places with no electricity. Reliable electricity is necessary to run the modules effectively. The use of multimedia during classes and public address systems during special occasions are important tools for this program. One portable generator will serve all these centers, enhancing training for current and future leaders of the Grace Church in Malawi.

Project Goal: $1,090

46 MX

EQUIPPING THE CHURCH OFFICE IN MEXICO

Comunidad Bíblica de la Gracia's (Grace Bible Community) current printer is unreliable, making it difficult to prepare materials efficiently. This project will provide a new printer, laminator and necessary supplies for the church office, such as paper and ink. The equipment will be available for all church ministries, helping leaders prepare and organize materials more effectively.

Project Goal: $428

47 MA

ELECTRICITY FOR KUMANGWETU IN SOUTHERN MALAWI

The training center in southern Malawi needs $12,824 to complete its electricity project, despite already raising $2,900. Reliable power would support New Hope Academy, training facilities, guest accommodations, security, evening activities and the water system. The center's well is the only water source for both the facility and the surrounding community, making dependable electricity essential.

Project Goal: $12,824

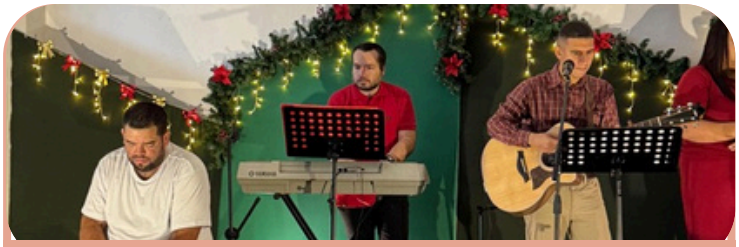

48 TZ

ELEVATED WATER STORAGE TANK IN TANZANIA

Grace Community Development and Education (GCDE), a GMI-affiliated ministry in western Tanzania, is expanding its 100-acre Impact Center to provide Christ-centered education and hands-on agricultural training. A new 50,000-liter elevated water tank will support farming across the center, improving outcomes for farmers and their families, while increasing long-term sustainability through crop revenue.

Project Goal: $22,830

BUILDING & EQUIPMENT

49 PG

MUSICAL INSTRUMENTS FOR IGLESIA BEREANA

Iglesias Bíblica Bereana (Berean Bible Church) in Ciudad del Este is full of talented musicians. While the church has instruments, many are old and inadequate. The instruments would strengthen worship, involve younger believers and encourage the entire congregation. The most pressing need is a new keyboard and electric drums.

Project Goal: $3,340

50 NI

CHAIRS FOR CLASSROOMS IN NICARAGUA

Ten years ago, the Arraigados Church in Nagarote purchased chairs for use in all of its ministries. Now, 70% of these chairs are broken, and cannot be repaired. The church would like to purchase new chairs, that will hopefully last another 10 years for use in the auditorium, classrooms and the dining area.

Project Goal: $2,000 ($50/chair)

51 TZ

IMPACT CENTER BUILDING PROJECT IN TANZANIA

Grace Community Development and Education's main building at the Impact Center needs windows, doors, basic furnishings, electrical wiring and toilets to be fully completed. This will improve farm management and expand space for biblically based educational programs that transform farmers' lives through better techniques and a deeper understanding of God as Creator. The completed building will also provide housing for the farm manager, storage for equipment and crops, and accommodations for students participating in training.

Project Goal: $10,060

52 MX

EQUIPPING THE CHURCH KITCHEN IN MEXICO

This project will allow Comunidad Bíblica de la Gracia (Grace Bible Community) in Mérida to purchase a high-capacity coffee maker, coffee bar table, large microwave and an electric oven. Having these resources will strengthen this growing church by providing practical kitchen items that support regular Bible studies, fellowship, hospitality and church gatherings. Multiple ministries and church members will use the kitchen throughout the week.

Project Goal: $467

ACTS OF MERCY

53

NI

FOOD BASKETS FOR SENIOR CITIZENS IN NICARAGUA

Arraigados Church in Nagarote runs a Bible-teaching ministry for older adults. Many of them have unmet physical needs, and sometimes they do not even have enough food to eat. The GMI team, working with the local church, would like to provide food (rice, beans, coffee, cooking oil, eggs, milk, etc.) and other items such as soap, toilet paper and dish and laundry detergent each month to families throughout the year. Last year, the team provided baskets for three families. In 2027, the goal is to provide food baskets to six families monthly.

Project Goal: $2,016 ($28/basket)

54

BO

HOMELESS OUTREACH IN BOLIVIA

DAR (a Spanish acronym for Give, Help, Rescue) is a ministry started by Emanuel Church in Santa Cruz, that meets physical and spiritual needs of homeless individuals and families living in a nearby drainage canal. The church shows God´s love by providing meals, professional medical care, showers, clothing, haircuts and spiritual counseling, along with a clear message of salvation through Christ. Every month DAR reaches between 40 to 60 people, and in December it reaches approximately 150 homeless people with a special Christmas event.

Project Goal: $1,368

55

EN

CARING FOR PERSECUTED BELIEVERS

Some who choose to follow Jesus in Africa experience rejection by family, loss of employment, removal from their homes or other immediate crises. African cross-cultural workers (CCWs), trained by and working with GMI team members, want to be prepared to walk alongside these believers during these critical moments. This fund allows CCWs to respond to practical needs such as temporary housing, food, transportation, medical care or other emergency assistance while continuing the much deeper work of discipleship, demonstrating the love of Christ to help a new believer remain connected to the community of faith.

Project Goal: $6,500

ACTS OF MERCY

NEW HOPE ACADEMY

56 MA

NUTRITION FOR CHILDREN IN MALAWI

Many children at New Hope Academy, started by GMI team members in a remote area of southern Malawi, come from families that cannot afford balanced meals and therefore suffer from undernutrition. This nutrition program improves student health by providing a multigrain porridge each school day. Currently, the project supports 221 children and has contributed to improved health, school attendance and academic performance. The project will feed 260 children. A gift of $30 will feed one child for an entire year.

Project Goal: $7,800 ($30/child/year)

57 MA

UNIFORMS FOR SCHOOL IN SOUTHERN MALAWI

New Hope Academy is seeking support to provide additional school uniforms for its students. Last Christmas, 35 of the 221 children remained without uniforms, and with 40 new students expected this year, the school now needs 75 uniforms and 260 sweaters. Uniforms are a government requirement that help keep children safe and easily identifiable, while promoting equality, dignity and a sense of belonging. For many families, the cost is beyond their reach. At $10 per sweater and $11 per uniform, your gift will equip a child with a uniform that will last for more than one academic year.

Project Goal: $3,425

58 MA

DESKS FOR SCHOOL IN SOUTHERN MALAWI

The children at New Hope Academy sit on the floor during lessons, making it difficult to concentrate, write and fully engage in learning. This project will provide durable classroom desks, giving students a safe, comfortable place to sit and adequate space to write. Proper seating will help children stay focused, participate confidently and learn with dignity. Equipping the classrooms with enough desks will transform the learning environment and give every child a better opportunity to succeed. A gift of $86 will provide one desk, serving two children.

Project Goal: $11,610 ($86/desk)

ACTS OF MERCY

59

BU

ORPHAN AND STREET CHILDREN OUTREACH IN BURUNDI

Jesus said, “For I was hungry, and you gave me something to eat” (Mt. 25:35). Burundi has one of the highest rates of orphans in East Africa. This ministry began in 2021, and there are now a total of 100 children who are receiving help for primary and secondary education through donations to this project over the years. The goal is to help another 20 children in 2027. This ministry provides an opportunity to share the gospel with host families while showing God’s love. Children who may feel forgotten and unappreciated begin to see themselves as valuable in society.

Project Goal: $6,245 ($313 /one child for one full year)

60

MX

SENIOR CITIZEN CARE IN MEXICO

Comunidad Bíblica de la Gracia (Grace Bible Community) in Mexico ministers to elderly members of the church and community. To do so practically, the church would like to purchase wheelchairs, grab bars, walkers, crutches and other health devices such as blood pressure gauges, oximeters, glucometers and thermometers.

Project Goal: $1,742

61

MA

MALAWI CANCER AID

The number of cancer patients coming from all corners of the country to the referral hospital in Lilongwe, Malawi keeps increasing. Many of the referred patients and their parents/guardians do not have relatives who can visit them in the hospital to bring food. This community will continue to be supported with both spiritual counselling and food aid. Through this ministry, close to 5,000 patients have benefited.

Project Goal: $6,736

OPERATIONS FUND & WHERE NEEDED

62 GMI OPERATIONS FUND

The GMI home office supports team members serving around the world by providing logistics, administrative support, and encouragement so they can focus on the work God has called them to do. Your generous gift to the GMI Operations Fund helps fulfill this mission and advance our Vision 2033 goals. Thank you for partnering with us!

63 WHERE NEEDED MOST

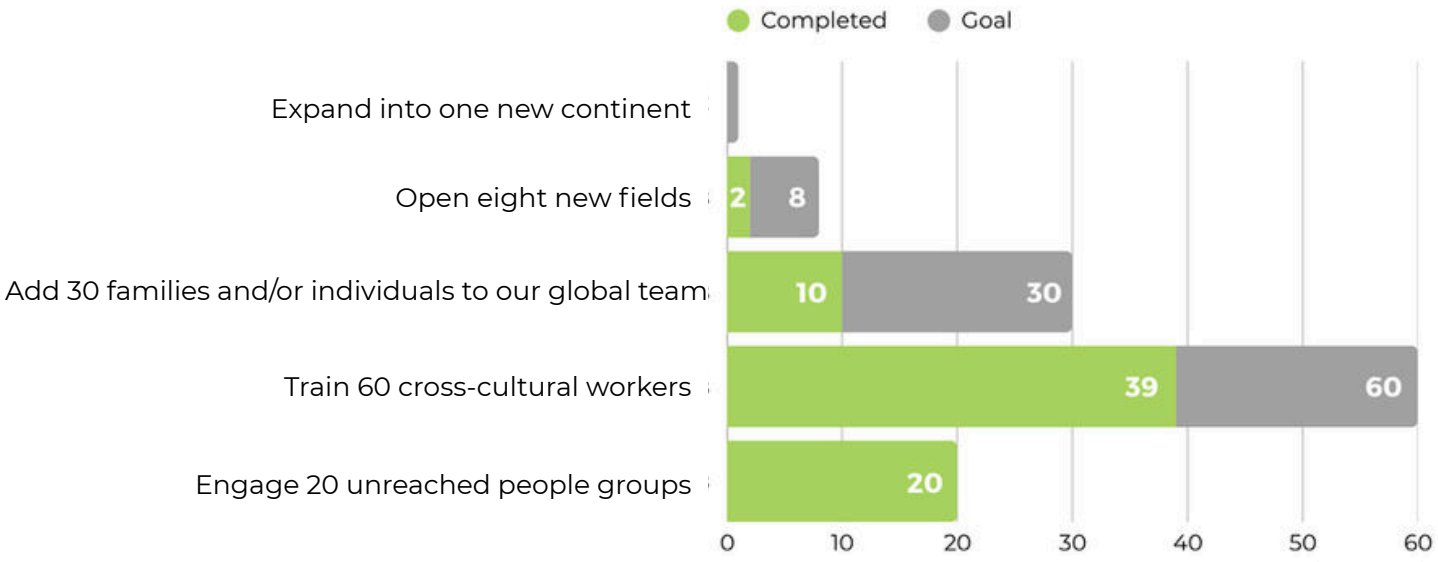

Not sure which project to support? Give to "Where Needed Most" and your donation will be allocated to the projects with the greatest need.
