November 2021

Greetings, dear brothers and sisters in Christ, from Chiriquí, Panamá. It is with great pleasure that we once again share our good news about the ministries taking place in Panamá.

CHILDREN'S CLUB

It is rainy season right now but thankfully this has not discouraged children from coming to our club every Saturday. These children have been learning many stories from the Bible with a special focus on the life of Jesus, so this allows them to hear about the plan of salvation.

We are praying that the parents of these children will join us soon and begin to learn about Jesus alongside their children. Please pray with us for these parents: Derek and Nora, Ángelo and Pascual, Dylan, Alfonso, Fernando, Sebastián and Nicole, and also for Lia and Alexis who are now starting to participate, Shawn and Grace, and Juan and Vladimir who have stopped meeting with us in recent weeks.

DISCIPLESHIP

We thank God that the number of Covid cases have decreased and with it the amount of restriction. This has allowed us to continue on with our discipleship.

Álvaro continues to study the life of Jesus with the men at the fruit stand. It has proven to be a little difficult and he has had to be very intentional and find the time to meet with these men. Please pray that through these times of study these men can come to know the grace of God. Also pray for Davis and Jerry who have made professions of faith—pray that they will continue to take steps to grow in their Christian life.

We have also had a new Costa Rican couple join our church. Their names are Marco, Mauren, and their two kids— Esteban and Andrés. They are Christians who have a true desire to serve full time at the church as missionaries. Alvaro has begun to disciple them and teach them about our doctrine that teaches the grace of God. We hope that in the near future they would join our ministry team. Pray with us that this family would continue to grow spiritually.

Youth Discipleship

Mauren has been studying the Bible with our neighbor Katherine for over a year, she has had many questions and has loved learning about the Bible. She has still not made a decision for Christ and has been hindered by religion and not recognizing a need for a personal relationship. Please pray for her husband, Max, and her two sons, Nicole and Sebastián, that they can all recognize their need for Jesus not as a religion but as a relationship.

Every Tuesday Mauren and Jaque Mackensen are investing in our own girls. They read a passage from the Bible and do a craft.

MOMS IN PRAYER

Every Thursday Mauren meets with various moms to pray for their kids. They pray and then study the attributes of God. Laura and her daughter Lia are in need of a lot of prayer.

SUNDAY CELEBRATION

We continue to work every Sunday and now with no restriction this month, we pray that more of the families who have been invited will attend. We are in search of a place to meet so that we can continue to worship God with our fellow panamanian brothers and sisters.

Moms in Prayer Ministry

We thank you for all your support, prayers, and continued belief in this ministry which is not ours but God's in whom we place all our trust.

If you want to partner with us in ministry please pray for us, support us financially, or come down and visit us on a short mission trip. Please contact Grace Ministries International: www.gracem.org for more information.

Sincerely,
