

Ministry Update - Panama

This year has brought many changes, blessings, and opportunities to see God faithfully provide for our family and ministry here in Panama

Discipleship and Serving

Discipleship continues to be a strong emphasis in our church and ministry. We have had the privilege of walking alongside many of our church members through discipleship, helping them grow in their understanding of God's Word and their walk with the Lord.

We are also excited to see more people stepping up to serve and use their gifts within the church. A few months ago, we began having a meal together after the last Sunday service of each month, giving us another opportunity to fellowship and grow together as a church family. Anthony has continued to walk alongside a few men in the church through discipleship. It has been very satisfying to watch God work in their lives and transform them.

Sharing the Gospel at a Bilingual Christian School

In July, we had the opportunity to serve as judges at an English competition at a bilingual Christian school in a small town near the Costa Rica–Panama border. We were blessed to meet the teachers and students and see their enthusiasm and hard work. Our favorite part of the day was having the opportunity to share the Gospel. Anthony shared his testimony and encouraged the students to consider how they, too, can know the Lord personally. We are thankful for opportunities to build relationships and openly share the Gospel, and we are praying about whether God may open additional doors for ministry at the school in the future.

Women's Ministry at Comunidad Bíblica de la Gracia David

God has continued to grow our women's ministry this year, and it has been encouraging to see the women grow in their faith, understanding of God's Word, and involvement in the church. At the beginning of the year, we studied Esther verse by verse, learning again about trusting God's plan and providence even when we cannot see what He is doing. Our weekly Bible studies continue virtually, while we meet in person once a month for fellowship, activities, and our study. One of the greatest encouragements has been seeing the women become more involved in serving and helping with the ministry. We have enjoyed several times of fellowship and study together, including a workshop on gratitude and contentment and a Bible study in Boquete Park.

DISCIPLESHIP

WITH THE TEACHERS AT THE BILINGUAL SCHOOL

PAMELA LEADING A WORKSHOP ON CONTENTMENT WITH THE WOMEN'S GROUP

More recently, we had the opportunity to serve a woman named Laura after a high-risk pregnancy, C-section, and the heartbreaking loss of her baby girl. We helped clean her home and brought her groceries, allowing us to come alongside her during a difficult time and show Christ's love in a practical way.

We are currently studying 33 Things That Happen at the Moment of Salvation, returning to the foundations of the Christian faith and helping us better understand the richness of our salvation. One of the greatest blessings for Pamela has been developing deeper relationships with the women, which has opened the door to one-on-one discipleship with two young women in our church. It has been encouraging to see women inviting others to Bible studies, becoming more involved in the church, and growing in their relationship with God and His Word.

A New Home

In January, we moved into a new home, but unfortunately, there were some issues with the place, and we were unable to continue living there. Thankfully, God provided the perfect place for us to move into in late July. Our new home has been a wonderful fit for our family and ministry, and Lord willing, we hope this will be the last place we have to move during our time in Panama.

Thank You for Helping Provide Bibles and Rent

We had two projects in last year's Giving Opportunities Catalog, which comes out each year before Christmas. We asked for donations to purchase Bibles for our church and to give away, as well as to help with the church's rent. By God's grace and through the generosity of those who gave, we were able to reach both goals—and even had some extra! Now, everyone has a Bible they can use each Sunday. We are incredibly thankful for everyone who helped make this possible.

Growth in the Church

The ministry has continued to grow steadily over the past year. Two new couples have begun attending the church, and we are thankful for the opportunities to build relationships with them. Anthony recently began meeting with one of the husbands for discipleship. He has previous experience studying at a Bible institute and learning under other pastors, so Anthony is excited to see where God leads with this opportunity. The man's wife has become involved in our women's Bible study as well. The other couple began attending our young adult Bible study, and the wife has also become active in the women's ministry. It has been encouraging to see new people connecting with the church and growing in their involvement.

Our First Baby!

One of the biggest blessings of this year is that Pamela and I are expecting our first child—a baby girl, Juliette, due November 10! We are beyond excited to welcome her into the world and are so thankful for this precious blessing God has given us.

We are so thankful for the ways God is working here in Panama and for the privilege of being part of what He is doing in the lives of His people. Please continue to pray for us and for the safe arrival of our healthy baby girl in November.

Thank you for your support,

Anthony & Pamela
