GONZALEZ PRAYER LETTER

WE ARE IN PARAGUAY!

On August 26th, we left our country carrying memories, prayers, and many hopes, dreams, and goals—bound for our new home in Paraguay.

We are very grateful to the Lord for allowing us to spend time with many of you during our first six-month assignment in the United States. At the end of that season, we returned to Costa Rica—our home country—to prepare for our departure and to say goodbye to family, friends, and to our sending church, Comunidad Bíblica de la Gracia in Belén, Costa Rica, which was celebrating 40 years of proclaiming the gospel of grace to all whom we can reach.

40th Anniversary

New Life, New Challenges!

During this first month, we have been fully engaged in the process of settling in Paraguay—legal and immigration paperwork, housing, furnishings, purchasing a vehicle, and many other details that come with moving to a new country and starting a new life.

Helping to Develop Local Leaders

And just as the rivers do not stop, neither do we. In these first weeks we have had the opportunity to participate in most of the ministries taking place here in Paraguay. This has been a great blessing, helping us get to know people and their stories much better.

We are currently serving alongside the GMI team and local leaders, sharing ideas and experiences the Lord has graciously given us over the years. Recently, we taught Galatians 4 in a midweek study, and on September 28 we preached the Sunday message on generosity and grace (2 Cor. 9).

Biblical, Practical Courses and more

The missionary team launched a new Basic Biblical Doctrines course on Tuesday evenings via Zoom. As part of our contribution, we developed new course material along with the accompanying presentations. Our aim with courses like these is to help believers grow in their faith and share what they learn with others.

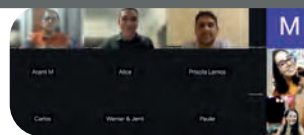

We are also planning new practical courses for the church covering family, finances, marriage, and scientific topics from a biblical perspective.

In addition, we continue developing the new devotional Bible study on the life of the Apostle Paul, along with planning new courses for the Grace Bible Institute.

We are also exploring new opportunities and resources to offer on our devotional website: MiDevocional.org.

Strategic Plan Update for Paraguay

In recent weeks we took part in updating the strategic plan for the ministry in Paraguay. As a GMI team in Paraguay, we defined very challenging goals and priorities for the field, but we truly believe that with the Lord's help we will be able to accomplish them together.

We need your prayers

We ask for your prayers that God would give us His strength and wisdom during this process of adapting to Paraguayan culture, and that little by little He would open doors for us to build stronger relationships with the church family as well as with others we meet along the way—for example, in Barrio La Blanca, in other Paraguayan communities, and even in neighboring countries.

Please also pray that God would guide us in every project, goal, and objective we set, so that all of them may remain centered on Him and never on ourselves—for everything we do must always be for His glory.

Be our partner!

To keep moving forward with these ministries, we first and foremost need the Lord, and we also deeply value your prayers for us. If the Lord leads you to partner with us on this journey of faith—through a one-time gift or monthly support—we are profoundly grateful for your generosity.

In Jesus Christ,
Henry and Grettel González
Acts 20:24
