

The Lord's Faithfulness in Every Season

Philippians 4:6-7

González Prayer Letter - July 2026

Dear Brothers and Sisters,

We pray that you are doing well and resting in the peace and grace of our Lord Jesus Christ. As we look back on this season, our hearts are filled with gratitude. The months have brought changes, challenges, and new opportunities, but through it all we have seen the Lord's faithful hand guiding, sustaining, and caring for us. Thank you for standing with us through your prayers, encouragement, and support. The Lord has used your kindness to strengthen our hearts and remind us that we are not walking this journey alone.

A Season of Gratitude

With the reopening of the Grace Bible Institute (Costa Rica), it has been a joy to see believers from five countries (Costa Rica, Nicaragua, México, Panamá and Paraguay) continuing to grow in the Word and being equipped for service in their local churches and communities.

During June and July, we also launched a new devotional resource connected with the World Cup, titled "More Than a Game". This free devotional was created to help teenagers, young adults, and families discover biblical principles through the language of soccer. By the Lord's grace, this material became a great blessing, allowing us to reach thousands of young people and families with the message of God's Word.

This resource is available in PDF and podcast format. Also, through the kind collaboration of our dear brothers Juan Chaves, a GMI missionary, and Oscar Quesada, who serves together with his family at Rush Creek Bible Church, we were able to develop an app with the devotionals in both English and Spanish.

Looking Ahead

We are continuing to work on new materials for the edification of the church, including a devotional Bible study on the life of the apostle Paul and a new version of Basic Doctrines of the Faith, a resource that has been widely used in GMI fields throughout Latin America.

Our desire is that these materials will continue to strengthen believers, encourage church leaders, and serve as useful tools for teaching, discipleship, and biblical training.

Trusting the Lord Through Transition

Unfortunately, because of Grettel's ongoing health concerns, along with other unforeseen circumstances, we had to make the difficult decision to leave Paraguay and return to Costa Rica, where we have better access to the medical care she needs. We are still seeking a clearer diagnosis.

Although this has been a difficult season for us as a family, we have seen the Lord's grace, faithfulness, and care in many meaningful ways. Alongside the development of new materials and the ongoing ministry of the Bible Institute, we are prayerfully preparing for new opportunities to serve.

From September through December, we plan to devote a couple of months to serving alongside the missionaries and local believers in each of the GMI fields in Nicaragua and Panama. Our desire is to serve the Lord, encourage the churches, and support the continued growth and expansion of His work in both countries. We ask for your prayers that the Lord will guide each step and use our lives for His glory.

With grateful hearts in Christ

Thank you once again for praying for us, encouraging us, and partnering with us in the work of the Lord. Your love and support are a great blessing to our family. We are grateful for the privilege of serving the Lord together and look forward, by His grace, to what He will continue to do in the days ahead.
