Our story, our ministry!

Dear beloved supporters and prayer warriors,

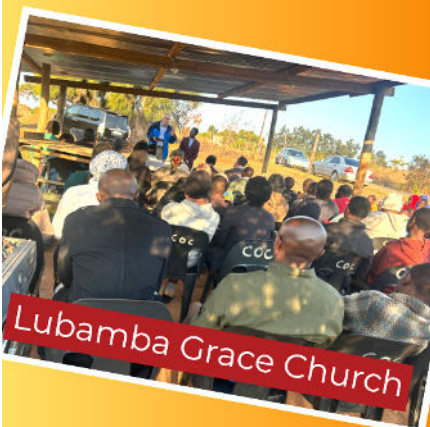

We want to express our heartfelt gratitude for your unwavering support and prayers for our ministry. Your encouragement and intercession mean a lot to us and keep us going in the ministry!

Ministry Highlights:

Women's empowerment through sewing. We're thrilled to share the remarkable progress of our sewing program for women! After dedicated training and hard work, our talented participants have reached an advanced stage and are now creating beautiful items like clothes and doormats. This initiative is not just about imparting skills; it's about empowering women to become self-sufficient, confident, and contributing members of their communities. We're proud of their achievements and grateful for your support that makes this possible. We have ten students who are on track to finish the training in January 2026. We are grateful and praise the Lord for Edah, who serves as the instructor, as well as for the participants and our supporters who make this journey possible for the women who are being impacted by this program.

Lubamba Grace Church. This church has been growing through new outreach programs that have been started, including a soccer ministry and KidsGames. Community involvement has also grown and has resulted in small groups being formed for discipling new believers.

Regional Leaders' Training. We were excited to host 72 leaders from across Eswatini in June for a powerful leadership training session with Grace Ministries International's (GMI) board chairman Jim Moore and Operations Director Dwayne Huff! The two brought their expertise and passion to the table, equipping our leaders with the tools they need to succeed as godly leaders in Eswatini. Our leaders came from various backgrounds, including sports players who joined us for youth leadership training. It was an incredible opportunity for networking, learning, and growth. We thank God for inspiring us through His Word and for the encouragement He provided through Jim and Dwayne's visit.

Thank you, dear friends

We are grateful for your prayers and financial support that enable our church planting, leadership development, and disciple-making ministries in Eswatini to continue and produce fruit. Over the past several months, we've seen God at work in powerful ways in our lives and ministry as he has protected us from the forces of darkness and witchcraft that are so prevalent in Eswatini. We are thankful for your partnership in spreading the gospel, and we feel confident in the ministry Christ has called us to in Eswatini.

Please continue to pray for:

- Protection and Safety - Pray for divine protection from illnesses, dangers, and spiritual attacks. Ask God to surround our family with His presence and keep us from harm.
- Success in Ministry - Pray that our ministries will produce much fruit and that our work will have a huge impact here. Ask the Lord to bless our efforts and open doors for the Gospel of the Grace of God to spread throughout Eswatini.
- Wisdom and Guidance - Pray for wisdom in decision-making, guidance in planning, and clarity of vision for the work here. May God grant us the ability to discern His will and follow His lead.
- Provision and Resources- Pray for the financial and material needs of our ministry, asking God to provide the resources necessary for our family and ministry.
- Relationships- Pray for opportunities to build strong and meaningful relationships with the local community, that we may effectively share the Gospel and demonstrate God's love.
- Revival and Spiritual Awakening- Pray for revival and spiritual awakening in Eswatini, that many would come to know and follow Jesus Christ.

May the Grace of God be with you as we near the end of another year,

Simon and Edah
