Mwanamoya Family

Dear friends, thank you for praying for us over the last 6 months. Our time in preparation for our move to Eswatini has been so amazing. We have seen the hand of God and this has been encouraging. The relational time has been the highlight for us, reconnecting face-to-face with friends and key leaders each time I visited Eswatini. The welcome was so beautiful and we are very much assured that the Lord has called us to serve in this country. We are scheduled to be in Eswatini by the end of June, God willing.

Our ministry

As it is written, *“How beautiful are the feet of those who bring good news!”* A small group of disciples are gathering

now in Manzini, the capital city of Eswatini, to study Scripture and discover together what light the Holy Spirit will give them on the subjects of fellowship and ekklesia (church). It seems God has been and is busy preparing a new wineskin for a new church in Eswatini. As a collective group we are seeking His guidance on church planting for Manzini and Mbabane cities. From there, it will be easier to reach the rural areas.

A gathering of disciples studying the Scriptures

Imagine a community of people pursuing God’s mission as they sit around studying the Scriptures and discovering God while desiring to love God with all they have and to share this new life with others. This gives us the passion to do God’s work.

Our Disciple-making Vision

2 Timothy 2:2

“And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others.”

Our vision is to see a Bible in every home across Eswatini with diverse teams demonstrating how to live the Gospel through holistic disciple-making. Our dream is to see local leaders taking initiative and redeeming their

We seek to partner with other organizations in our effort to share the gospel

culture in its context through the application of godly principles and church planting that radiates from small discovery bible study groups.

Eswatini update

Eswatini is now our second home. We are thrilled at what God has been doing for the past one month during our final preparations. Our hearts are now settled, our ministry is up and running with leadership in place. Our work permits are ready and great partnerships have been created. We marvel at His grace, giving us this opportunity to share His Grace at a time like this as GMI's first team members in this new field.

Ministry update

We conducted a one month sports leadership school in Zambia last April for 38 students from seven countries- Zambia, Lesotho, Eswatini, Niger, Zanzibar-Tazania, Zimbabwe and Kenya. The students finished well and we are grateful to God that each one of them is doing very well in their respective countries.

Our prayer points

- *Pray for our move that we will not have many challenges in this foreign land and that our family will fit in well in the new country.*
- *Pray for our monthly financial support need.*
- *Pray that we will have enough funds to buy our ministry vehicle.*
- *Pray for discipleship and church planting through sports.*

Thank you for your prayers and support,

The Mwanamoya family
