GRACE MINISTRIES AROUND THE WORLD

NOVEMBER - DECEMBER 2022

Keeping you  
praying for  
and informed  
about 

**Congratulations** to Aaron Cordero and Adela who got married on October 1 in Adela's hometown of Paraiso, Honduras. The wedding was a great time to celebrate their devotion to the Lord and to each other. Adela is joining the GMI team with Aaron in Nicaragua as they look forward to serving together. Adela has years of ministry experience in Honduras and other countries in Central America and will be an incredible asset to the Grace Ministries International team. Pray for Aaron and Adela as they begin their marriage!

Aaron and Adela

hurricane and flood waters losing nearly everything. GMI's goal is to raise \$12,000 to replace that which was lost. To give towards this effort, visit [gracem.org](http://gracem.org) and click on "Puerto Rico Hurricane Relief" under the projects tab.

**Kumba, Cameroon**, is where Grace Church in Cameroon held their seventh annual KidsGames outreach at the end of August. Despite the heavy rains during the week, 40 kids registered the first day with 60 attending by the end of the week! Of those, eleven came the following Sunday to Sunday school and church. Twelve committed volunteers shared the gospel with the kids while also leading them in activities such as sports, arts and crafts, decorating, sewing, hairdressing, playing musical instruments, baking and pastry. During the week the kids learned about the life and ministry of the Apostle Paul.

**Traveling to Zambia**, GMI team members Bill Vinton and Givemore Nyakambiri conducted a two-week training in October for 15 Bible teachers from the countries of Malawi, Zimbabwe and Zambia as part of the International Teacher's Training program. Many of these teachers have

Camp Caribe under water

already taken the information and materials back to their communities and regions to train other pastors and church leaders.

**In Malawi**, GMI team member Sue Vinton shares about the successful women's conference giving "praise that the national

ITT training in Zambia

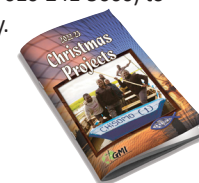

women's conference for the Grace Church in Malawi went well in spite of some significant challenges. Just over 200 women attended, many of them for the first time and even some who live close to the border in Mozambique attended as well. Some of the topics taught were salvation, family, and mental health."

**New Field!** GMI is now working in Eswatini. After years of survey work, developing contacts, and preparing leaders, the Mwanamoya Family moved to Eswatini in August opening this country as GMI's seventh new field since adopting Vision 2023 in 2013. GMI team member Simon Mwanamoya shares that he is already working with ten leaders strategically located throughout the country. The Mwanamoyas' aggressive plan would have them plant ten churches in the next three years. For years, Simon has used sports ministry to train coaches who then invest in players both physically and spiritually using

Discovery Bible studies as a means to teach them about Jesus Christ and an eternal relationship with Him. He will employ this same strategy in Eswatini to reach another generation of youth with the gospel and plant churches which teach God's grace. Vision 2023, GMI's ten-year strategic plan, would have GMI open eight new fields by early next year. We praise the Lord for His abundant provision in this effort as we get closer to reaching our goal.

**The Chaco Region of Paraguay** is an area GMI team members Alex and Deltha Gulart have visited over the years developing a church-planting ministry. Recently, Alex had an opportunity to preach in a Spanish-speaking church in Chaco, to a group of indigenous teachers—the Nivaclé people—and in a German-speaking high school. His messages centered on the gospel and the sufficiency of the Scriptures. He also had the opportunity to share with the GMI-affiliated church plant in the region.

**The 2022 GMI Christmas Project Catalog** has been sent to the printer and will be arriving in mailboxes soon! We are also working to upload the online version which we will announce when it is ready. This year's catalog features 41 projects designed to help our teams equip local believers to share the gospel, plant churches, disciple and train others, and share God's love through acts of mercy. In the meantime, keep checking [gracem.org](http://gracem.org) for the online version or contact the GMI Home Office ([gmi@gracem.org](mailto:gmi@gracem.org), 616-241-5666) to receive a hard copy.

GMAW is published every other month by Grace Ministries International, PO Box 9405, Grand Rapids, MI 49509, phone: 616-241-5666. Jeremy Clark - editor. Visit us at [www.gracem.org](http://www.gracem.org) or email us at [gmi@gracem.org](mailto:gmi@gracem.org).
