

GIVEMORE AND SYLVIA NYAKAMBIRI

MARCH 2026

Greetings from Malawi!

Thank you for your prayers and support as we share God's grace in Africa. Your partnership in our ministry allows us to reach people with the life-changing grace of God! We are thankful for this opportunity to share an update on what the Lord has been doing in the various areas of ministry the Lord has called us to.

We continue to rejoice in our son, J-Nathan's, healing from cancer and for your prayers and encouraging words as he battled cancer for the second time in his young life. We invite you to join us in praising the Lord that J-Nathan is a healthy, thriving young man. This victory belongs to Christ alone! Thank you for walking this difficult road with us and for agonizing in prayer with us throughout this ordeal. Thank the Lord together with us as we celebrate J-Nathan's healing.

J-Nathan is now able to concern himself with the more typical things boys of his age deal with, including preparation for his upcoming checkpoint exams. Please pray for him as he prepares to take these exams in April. As he studies in preparation for his final primary exams, pray that he will not be anxious, that his retention of what he learned will increase, and that he does well when he takes his exams next month. Thank you for praying.

Beauty for Ashes

Praise the Lord, we are seeing impact upon impact! Lives are being transformed, one by one, as the Lord does His work in the lives of these dear women. The single mothers in this program interact with each other, displaying love for one another, love for the Word of God, and dedication to improving their lives and the lives of their children. We hear a lot of appreciation for this project from the single mothers, especially in Southern Malawi, where we recently expanded the program. Sylvia's follow-up trip to Southern Malawi was not only an encouragement to them. It was also an encouragement to us, as these single mothers continued to meet in vibrant small groups even when we were not there with them. Thank you for your support and for praying for this important ministry.

Pig Farm

As you may recall from our previous prayer letters, one of the desired outcomes of the pig farm project was to raise funds for the ladies involved with the pig farm to build sturdy new homes for their families. We are excited to report that the ladies from Mbewa village have finally moved into their new homes after a colorful housewarming ceremony celebrating the Lord's goodness. Thank you for praying for these ladies who worked tirelessly rearing their pigs. This success story was made possible by your unwavering support.

Cancer Aid

We continue to be involved in ministering to the patients, their families, and the staff at the pediatric cancer ward in Lilongwe. We recently received a certificate to honor our faithfulness in visiting the hospital, providing prayer, counseling, food aid, and the message of God's sufficient grace there over the past several years. Our hearts are filled with gratitude for your continued support for the pediatric cancer patients and their families through your prayers and gifts. Thank you. We are thankful for this platform to share the gospel with the cancer patients, their parents and guardians, and the hospital staff. Recently, we have noticed an increase in those desiring to hear from God's word. One of the men, Mr. Kamisa, recently called us to share his excitement in his growing relationship with Jesus Christ. Reports like this fuel our desire to keep sharing the gospel through this ministry!

In addition to providing prayer and counsel to the patients and their families, Sylvia is now teaching various life and vocational skills to the parents and guardians of the cancer patients, along with the kids at the hospital who can participate. It is encouraging and fulfilling to see the kids involved in learning these important skills. Your support in this area of ministry is greatly appreciated.

Men's Fellowship

Our goal in this ministry continues to be that marriages will flourish to the glory of God across Malawi. In March, Givemore and his team will travel to Southern Malawi to conduct the second of four scheduled men's leadership trainings in the four regions where there are GMI-affiliated churches. The first training, which was coupled with a marriage seminar, was a great success. Thank you for your continued support. Please pray that the Lord would provide the financial resources to conduct the remaining two trainings.

Thank you for partnering with us through your faithful prayers and generous gifts as we serve the Lord in Malawi.

Please Pray For:

- Our family as we seek to grow in the Lord together and as individuals.
- Givemore's health, as he continues to recover from last summer's heart attack. We praise the Lord that he is growing stronger each day.
- Givemore as he prepares for the Men's Fellowship (Grace Men of Courage) seminar in southern Malawi next month.
- Our daughters, Tarsha and Heather, as they are both looking for job opportunities.
- J- Nathan as he prepares for and takes his checkpoint exams in April.

May the Lord bless you and your families, and may He receive all of the honor and glory!
