

Seravallis in Nicaragua

January 2021

Wow! What a year we had—each of us will remember 2020 as an important year in history.

We've been reading Psalm 29:3-9 which sound like a great natural catastrophe that is making the water roar, the mountains move, and the world twist. I think it looks a lot like 2020, but if we read carefully it says: THE VOICE OF THE LORD is what moves everything.

Have you been listening to the voice of the Lord this year because 2020 was also a year for His glory?

We experience the roar of the voice of God when we lose loved ones, when we have great personal and ministerial changes, and when we have pending prayers. But how have we seen the glory of God?

● We saw it in the Nagarote leaders so involved in the ministry, assum-

ing their leadership and striving to be like Jesus. They continue studying and preparing at the Bible Institute and some of them are about to graduate.

● We saw His glory when God sent reinforcements. God sent four new missionaries to Nagarote—Lily Ortega, Aarón Cordero, and Matt and April Sykes.

● The missionaries started new ministries in Nagarote, such as Lily teaching music classes and Aaron beginning a ministry for the elderly.

● His glory with COVID. We closed the church only in the month of March, and since then we have been meeting as we usually do. Thank God no one in the church has gotten sick from the virus.

● We saw the glory of God in the first youth camp in Arraigados

(Rooted). We had an attendance of about 50 youth with the theme CLOSE. During a time when everyone talks about social distancing, God wants us CLOSE. This camp was a great success.

● We saw His glory in the continuation of the construction of the church. Even though we did not receive many teams, we continued to build slowly.

● We saw His glory in that we have not lacked supporters or provision to keep us in Nicaragua. We have continued to eat and receive prayers of support every day.

● We saw the glory of God in the fulfillment of one more year of marriage, which fills us with joy because the reason for our union is to serve Him. We already have eight years together.

This brings us to 2 Samuel 22 when David is rescued by God. David recounts all that God did for him amid the roaring waters, the mountains moving, and the world twisting. That is why we can have faith in the future, because we already know that God has been our Rock and Strength in 2020, and through these eight years in the ministry, God has been our protection, our shield, our power, and all good things come from Him.

What do we dream for 2021?

- We are going to travel to the US to visit churches: We want to find churches interested in visiting Nagarote, and also people interested in serving in Nagarote as Interns. At the same time, we are raising funds for Aaron as he serves in Nicaragua with us.
- Next year we want to have at least two graduates of the Grace Bible Institute and we dream of what God can do with them in ministry. Also, we dream of a full-time pastor for the Arraigados (Rooted) church, and more teachers from the Bible Institute.

- We dream about finishing all construction projects in Nagarote in the next three years, and then moving to another place in Nicaragua to open another ministry.
- We dream that the Nagarote church can make short-term trips to Honduras to open a new field there, and that a Nicaraguan and Aaron can move there in three years to open a new field.

We encourage you to follow this path together with us because we have already seen the glory of God

and we want to continue walking together towards eternity, taking many souls with us.

You can partner with us in prayer, in financial support, or with your visit. You can contact us by email at raquelcordero21@gmail.com, you can support us financially through www.gracem.org or you can follow us on Facebook looking for us @ Milo Raquel Seravalli Cordero.
