

Keeping you
praying for
and informed
about GMI!

● **New Missionary Candidates!** John and Naomi Caprari were accepted by the GMI Board to serve in Tanzania's second largest city—Mwanza—which is strategically located near the neighboring countries of Kenya, Burundi, Rwanda, and Congo. Their ministry focus will be evangelism, church planting, women's ministries, and leadership training. Their heart's desire is to empower Africans to expand the reach of the Church throughout the continent. John and Naomi are an answer to prayer as we look to share God's grace in new regions of Africa and around the world. To learn more about the Capraris and how to support their ministry, visit www.gracem.org and find them on the "Missionaries" page.

His very own Gideon Bible

as they have shared from God's Word and from their own personal experiences. We praise the Lord for these conferences and for Aimee's wonderful work with GMI.

● **In Bolivia** as GMI Missionary Aimee Johnson winds up her missionary service, she and two other Bolivian ladies have conducted three women's conferences in the Santa Cruz area. Danyig, Sara, and Aimee are very pleased with the participation in these conferences

● **Rukwa Valley, Tanzania.** GMI Missionaries Mike and Lynn Caraway share that "over 6,000 Gideon Bibles were passed out at 13 different schools in the Rukwa Valley. For many students, this will be the only book in their home. Pray that these Bibles will be read by many."

● **Near Santa Cruz, Bolivia** the first phase of the Peña de Horeb church expansion project is complete. The entire roof is now finished at this church located about a half hour outside of the city of Santa Cruz. Among the church's ministries is a children's club which meets in a community soccer field nearby. Pray for these church leaders as they minister to 60 children weekly.

The church roof is now completed in Bolivia

● **Matagalpa, Nicaragua** is now the home of GMI Missionaries Jeff and Sally Roth and Brett and Debby Chapman. Brett and Debby joined the Roths in Matagalpa when they moved there from Managua in mid-August. They are grateful for their new home located in the center of the city. Pray as they continue to learn Spanish and as they make contacts in and around the area.

Alex and Deltha making contacts

● **Bonaire.** Fourteen women attended a meeting at the home of GMI Partners Carlos and Denise Brunk on August 1. Jenny Virginia, a friend of theirs from the ministry in the Netherlands, shared the gospel with these ladies and encouraged them to run the race for Christ. Some of the women who participated in the event are part of the Brunks' ministry, others are neighbors, and some are acquaintances.

Anu Tayim Sammy Parker, into the world. Mom, Dad, big sister (Princess), and Sammy Parker are all doing well. Harry and Kaylah Alicea (Puerto Rico) are expecting their first child in March 2016. Brett and Debby Chapman (Nicaragua) are expecting twins in February. The GMI family continues to grow!

● **In Paraguay,** GMI Partners Alex and Deltha Gulart have found an apartment in the heart of an Arabic neighborhood. They moved to Paraguay in June after traveling for more than a year. Though they are grateful for a place to call home, their apartment is more than a place to live, but will be a strategically located ministry hub in Ciudad del Este. They have already made contacts with both Muslim and non-Muslim people in this important city situated on Paraguay's border with Brazil and Argentina. Pray for them as they share the gospel and lead Bible studies among the "nations" living in Paraguay.

● **The EXITE Team** consisted of 10 members from 6 churches in 5 different states. The team served in Malawi July 23-August 3 with our four GMI missionary families. Malawi is known as the "Warm Heart of Africa" for a reason. The team was welcomed so warmly and served together with committed local leaders doing kids clubs in several villages around the country. The students shared their testimonies, did skits, taught lessons, played games with the children, shared the gospel using the Evangecube, learned a song in Chichewa, and loved the kids. Many children heard the gospel and responded inviting Christ into their life. The team built a sand volleyball court for Eric Mango's sports ministry and helped to rebuild a church that was destroyed by floods this past January. Thank you to many who prayed for the EXITE team.

● **New Missionary Kids.** On August 9, 2015, Joseph and Emmanuela Asong (Malawi) welcomed their second child,
